Tables, graphs and figures: The data in the article can be presented in the form of tables, graphs or charts. With regard to a short extent of the article, avoid presenting the same data both in tables and graphs. Figures can be in colour or black and white. Use a sequential numbering, especially for tables and figures. (e.g., Fig. 1, Fig. 2 ... or Tab. 1, Tab. 2 ...).

Example:

Fig. 1: Number of publications discussing the occurrence of synthetic dyes in the environment.

Format of an article: Page setup – A4 (210 x 297 mm). Top and bottom margins – 2,5 cm. Right and left margins – 2,5 cm. Recommended extent of the article for the Proceedings of the Student Research Conference “Applied Natural Sciences“, (CD-ROM), Section 4, is 5 pages (± 1) including the text, figures and tables.
